

Scheduled Presentations & Activities

 = kid/family friendly activities

Presentations

10:00-10:30 Citizen Science Julia Robson *Waukesha County*
Learn how YOU can help study, preserve, and protect rare flora and fauna and the natural areas they rely on.

YOUTH

10:40-11:10 Sustainable Development Goals **YOUTH**
Gabby Schreiber & Paige Pyka *Ocon HS Global Sustainability Class*
How do we want the world to look in 2030? Do you want to learn about how YOU can make a positive impact worldwide? Join us to answer these questions and learn about the United Nation's Sustainable Development Goals.

11:20-11:50 Impact Investing
Heather Deaton, CFP®, CSRIC™ *Ellenbecker Investment Group*
Learn insights into the acronyms, classifications, considerations and decision points for social responsible investing so you can make informed decisions.

12:00-12:25 Indigenous Knowledge of Environmentalism **YOUTH**
Siobhan Marks *Indian Community School*

12:30-1:15 Kohl's Wild Theater: The Legend of the Trash Monster and Other Silly Scary Stories Virtual Performance (streamed) *Zoological Society of Milwaukee*
A rowdy band of scouts gather for the nightly meeting of the Silly Scary Stories Club. Audiences will assist the storytellers as they strive to outdo their friends and weave the creepiest yarn around the campfire.

1:20-1:50 Creating a Garden with Year-round Beauty and Pollinator Appeal
Melinda Myers *Brought to us by ATC and Grow Smart*
Join Melinda for this seminar followed by a walk outdoors through the permaculture village as she answers your gardening questions.

2:00-2:30 Community Composting: Successes and Opportunities
Kate Burke *Pewaukee Green Team*
See examples of successful food scraps diversion programs and learn how you can make a positive difference in your home, school, work place, church, or municipality.
